STAT

Memo

You asked for a memorandum of the history I gave you this morning of my involvement in outside speaking engagements for the Office of Civil Defense. Attached, it runs to four pages in full.

In a nutshell:

25X1

25X1

4. Security precautions have been adequate to date to prevent attribution of any content, conclusions, etc., to CIA or to me as governmental representative. Content in any case is held to level which is by and large classified only because it comes from intelligence community, not by nature of content itself.

5. I don't mind if Agency doesn't; in fact, I enjoy it.
